Bullshit..

Tere...

What are we going to do now...?

Tere...

When you turn eighteen...

We will meet again

And let's go to sea...!

Together..!

There was never...

Future for us..!

... Tere

.....

We are not going to wait to be killed.

Why don't we, three, just flee...

If we use my magic of invisibility, we can escape easily.

No, us just three escaping has no meaning.

All of us must go together.

Then let's get them and..!

No, not right now. We need 'time' to prepare.

Time? Prepare for what?

We need to get ready.

To be Continued

Why did you?

We were literally lab rats. Why did you say such things?

Like how much you loved us..

How much you were grateful for our services..

How much have you..

sneered at me from inside while saying such things..?

You lied that we'd get out of here when we reach 18.

and you were going to kill us as if we were nothing..!

Were you kind to ease your guilt ?!

What are our lives' worth ?!

Nothing?!!

What are we anyway?!

We just provide you energy and you cut us down ! Is that your definition of "flower" ?!

Are we not human ?!!

It's not like that..

We ore really grateful.

When we said we loved you? It wasn't a lie, either.

But we don't feel sorry for what we've done.

Because when you turn eighteen years old.

You will die anyway.

What ... did you say?

The hard truth is that it is true. We are making you useful.

We don't brand you as fearsome cannibals.

We treat you like flowers while it is possible.

.. Don't spew your fucking shit.

You are saying I am going to eat my friends when I turn eighteen?!

Even if what you said is true!!

I will make sure I won't turn !!

I will choose my own path !!

I am not going to die because you expect me to die !

WE ARE NOT YOUR GOD DAMN FLOWERS !!

...Tere ... !

... What you have is a curse.

.. A curse that cannot be cured.

It is a very powerful curse

cast by a single magician

who was full of hatred and darkness

Who, in the end, received capital punishment for his crimes.

... Curse ?

Whatever..

Pant

Pant

I will put
an end to it.

Tere!!!!

Big...

Big news !

May ?

They ..
they found
out and ...

shooting
us do ...!

Thud..

May !!!

May !!!!

Damn it !
Can you
hear me !!!

No..

Uh...

May !!!

Ma...

May...

...?!

Go, Tere.

When you kids
turn eighteen, you
will die anyway

You will turn to
cannibalism.

So?
So what?

Even if that is true

I will choose
my own fate..!

STOP..!!

Pant..

Pant..

Pant..

What do we do now..?

What Tere has been telling us was true..!

Are we going to just stay here?

Actually, I was kind of skeptical..

Have you seen Tere ?

I don't know. I haven't seen her from those who were fleeing..

...!!

...!!

Whisper
This door..!

Whisper
This should be locked, but it's not..?!

Whisper

...!!!

Ugh..!

Mommy...

Mom...!!

You okay?

...!!

..What are you going to do, Tere?

How we were being thrown away like this.

I wanted them to know.

Hoping that maybe they'd help us ...

Or so I thought.

But it seems I was wrong.

I was horribly mistaken.

They know.

They all know.

It's just us who have no idea.

Kite

I trust that you will be able to find others.

Yeah.

Find them.

We are unable to track down the forty two

We searched the facility.

There was no more.

We assume they've already fled out of here.

Send the report to the upstairs first.

And then begin searching for them immediately.

They've likely fled to the town nearby

Use all of the resources to track them down.

Check the surrounds of the facility and then even to the nearby forest

There were sizable casualties which prompted the government to search, find, and kill potential project applicants (Later branded as magicians).

Three applicants who were presumed to be from the forty two missing applicants were found along the road to the northern forest. Soon after the discovery, a pillar was created. The government launched an investi-
